

VACANCY

Site Supervisor

We have a great opportunity to join our growing business, here at Westmade. Established in 1977, we have gone from strength to strength over the years, becoming a leading contractor across the South, with our busy office based in Verwood.

We are looking for an experienced Site Supervisor to oversee projects and supervise the team.

Site Supervisor Responsibilities:

- Inspecting sites regularly to identify and eliminate potential safety hazards.
- Supervising and instructing the team as well as subcontractors.
- Educating site workers on safety regulations and accident protocol.
- Enforcing site safety rules to minimize work-related accidents and injuries.
- Handling site accidents in accordance with established accident protocol.
- Ensure that construction projects meet design, safety, and budget specifications.
- Recommending changes to construction operations or procedures to increase efficiency.

Site Supervisor Requirements:

- Proven experience working as a site supervisor.
- Sound knowledge of building codes and construction safety regulations.
- Working knowledge of construction tools and equipment.
- Outstanding leadership skills.
- Attention to detail
- Strong analytical and problem-solving skills.
- Excellent organizational and communication skills.
- Diplomatic
- Time management and prioritising skills
- Adaptable
- Client focused
