6 Weeks summer holiday

CASE STUDY

# Merley First School

## About the Project

This project was for the heating replacement works at Merley First School, Wimborne.

This 6-week summer holiday project was the replacement of domestic services pipework, the hot and cold water system and ancillary works, throughout the school.

This involved

- Ceiling removal and replacement
- Asbestos removal to plant room
- New kitchen areas
- New heating valves
- Decorating areas worked in.
